See Pages 9-14 for all the details concerning Hotel Reservations, Daily Event Details and a Map of Lake Sumter Landing Market Square with all it has to offer. We'll be **LOOKING FOR YOU!**

LOG NOTES

Since the last Newsletter in April I've received a few e-mails from folks telling me how they are, what they've been doing and what they plan on doing. So as usual, I plan to share with you what I've got!

"Bones" Rathbone says **He and Wife** are going to visit Okinawa this fall. **"Bones"** remembers the good times working for **LtCol. Lee Holloway** at MALS-26. He saw **MGySgt. Ray Gardiner and wife** at Nellis AFB PX. He commented "he was glad to hear **"Slick" Katz** made Col.! Boy **"Bones"** you've been out of the Corps too long! **Col. A.J Manuel** is working hard at NAVSUP WSS (N981). Congratulations to **Brian Averell** NAVSUP WSS Director of Fleet Outfitting on his retirement after 42 years of service to Navy and Marine Corps Aviation. **Brian** was a Marine 1970-76. Speaking of NAVSUP (alias ASO), **Joe Featherston** found his old boss **LtCol. Bill Sackett** who is now living in Del Ray Beach, FL. **Bart Consford** did a wonderful eulogy at **Mike Di Francesco's** Celebration of Life. **Bob Negrilla** said we'll see Him and Wife at the Reunion, and if possible, they will be bringing guests **Bob and Jackie Hartman**. **Jackie's** Dad (A Marine) was a recipient of the Silver and Bronze Star w/combat "V" and a Combat veteran of WWII, Korea, and Vietnam. **Brad Bergman** provided the following information on a bunch of folks that I'm copying and pasting rather than retyping! Quote:" Lots of very familiar names and memories in the newsletter but I noticed a lot of folks missing...I know you do your best and rely on us. Maybe I can fill in a few spaces. **Gary Fraley** still works for CACI in Norfolk area, **Roy Bibbins and PW Malone** still work supply issues for CACI at MALS-31 and I know **Larry Messner** does the same at Wing 2 MAW. (I saw your note on LinkedIn and it is easy to navigate in and can be a big help) **Paul Callan** is still out west and I believe with PKL but has his own Leadership business. **LtCol Jeff Stone** is still at HMX-1 last I checked and **LtCol Chuck Bercier** is in Norfolk at a NAVAIR type billet. **LtCol Greg Johnston** retired and lives in Mississippi. **CWO-3 Don Joseph** retired lives in New Orleans area, **GySgt (Ret) Mike Pasko** is in Iowa, **CWO-3 Rob Willis** is at Pax River working for Andromeda as a Program Manager. **Pat Frossard** travels as he does comm/radios for NASCAR. **LtCol Brian Haviland** retired and works for Booze Allen in Lexington Park, MD. **Col. Dan Cowley** Retired, works at Leidos as a Program Manager, **Col Dale Johnson** retired, is in Dallas working for Trinity Systems. I could probably fill another page or two." Unquote. Thanks **Brad!** **Brad** also advised that he has started his own company, Pegasus Professional Services. **Carl (the Coconut) Cabrera** is riding the hills of Hawaii in his really "tricked out" Harley Davidson Chopper! **Carl Hubbell** advises "If it's stupid, but works, it isn't stupid!" I agree! **Col. Chris French**, ALD 4thMAW will be retiring in September and has accepted the Senior Military Instructor billet at Bixby High School in Bixby OK. **Don Davis** (not me, the good looking one) is still doing Great, working for the Coast Guard, repairing and overhauling their C-130's as Vice president of DRS Technologies in Elizabeth City, NC. **Dave McCowan** wrote a neat story about his Boot Camp DI being like a 2nd Father (Umm!). It was an honor to attend the wonderful Church and Burial Service for **Mike D Francesco**. His help and dedication to the ALM will be missed. Congratulations to **Bill Cooper's Son William (Billy)** who was commissioned a Marine

Corps 2nd Lieutenant after graduating from the University of New Mexico, Magna Cum Laude. **Ed Creamer** says he's getting so old, he doesn't recognize many of the names in the Newsletter! Unfortunately, Time Marches On **Ed**! **Ed and Jackie Bacon** said they are going to celebrate their 47th Anniversary during the whole month of June! Good on Ya! They also are embarking on a cross country road trip and said they have no time table for its completion. **Ed Green** is still doing good things as the OpsO for Training and Education at K-Bay HI. **Ed** is also the Chief of Staff for the Hawaii Civil Air Patrol and the proud father of daughter **Emma** who is a 2ndLT. at The Maryknoll School's 20th Cadet Squadron. **Clyde (Jess) Jesse** had hip replacement surgery on 4 June and suffered some memory loss for a couple of days after the procedure. But thankfully all is well now, and **Jess** is recovering so well he's walking with only the aid of a cane. **Franc Hershley** has spent a lot of time recently researching past year's editions of the Marine Corps Retirees Newsletter (Semper Fidelis) to find as many as possible of our ALM folks that have passed away. **Pete Lynch** has **Franc's** results, and will use the information to update our ALM Roster. Thanks **Franc**! **Jerrel Townsend** has retired as a JROTC instructor, and I presume is now pursuing his favorite hobby, fishing! **Glenn Bratcher** said he sold his motorcycle and bought a \$200k yacht. (He sent pictures, honest??). **Glenn** also sent some great CD's of the 50th Anniversary of the Vietnam War celebration that took place at the Vinson Hall Retirement Community. We're planning on having the CD's available for viewing at the Reunion. **Rich Holihan** has retired as the Capital Region Liaison for the Marine Corps Logistics Command and has moved with wife **Mary Lee** to Beautiful Beaufort, SC. **Rich** was ASL-41 and ASL-2 back in 86-87. **Jim Griffin** has moved from California, MD to Melbourne, FL. Happy to hear **Jim Sealy** took the time to contact **Chuck Martin**! Our thanks to **Mike Duggan** for keeping us up to date on **Ray Redford's** health problems. **Ray** is rehabbing from heart surgery and pneumonia. **Joe Chisholm's** daughter **JoAn**, while working with a rep from the Marine Corps Museum on a fundraising project, happened to mention her Dad was a Korean War veteran, and participated in the Inchon landing in 50-51. Much to **Joe's** surprise and honor he was subsequently invited to the Museum in June and presented with a Flag and Citation for his service! Wow! **Bert Potwin** is hiking the Pacific Crest Trail, which is about 1500 miles. Way To Go **Bert**!!! Maybe you shoulda been a Grunt?? **John Cauble** is looking for a 50-55 Chevy Pickup for a friend that wants to do a restoration. Did **John Cash** contact **Bill Hamlin**? Hope we see both the **Cash and Hamlin** families at The Villages this year! **LtCol. John DiGiovanni** is staying on as the MARFORPAC AVO until his retirement in 2017. My sincere apologies to **John Rutherford Col. USMC (ret)**, **Sam Flores LtCol. USMC (ret)** and **Terry Robling LtGen. USMC (ret)** for erroneously announcing in the last Newsletter the leadership at PKL Services. The correct information is: **Sam** is the Chairman of the Board, **Terry** is the CEO, and **John** is the Director of Logistics. I hope I got it right this time! **Mark Schultz** says being the COO for the San Pasqual Band of Mission Indians is like running a Marine Corps Base! **Marty Zigovsky and wife Tilly** are celebrating 40 GREAT years

together! **Mike Stitcher's** Grandson reported to Parris Island 56 years after Grandpa. **Nick and Sarah Russell** unfortunately will miss the gathering in October because of a mandatory appearance at another Important function. We hope **Paul Cerkez's** Dad is doing well after his recent hip replacement. **Paul** is our Website Manager, and he is requesting pictures from past Reunions or any other pictures of interest to post to the Website. **Randy Virgil** is touring the Parks of NC this summer with his **dog Goose!** Our Congratulations and Thanks to **LtCol. Ray LeGall** who is retiring after 38 years of service to the Corps at MCB Quantico on 14 August. In our last Newsletter we listed **Bill Moody** as deceased. However, **Bill** has written a letter to **Rick Owen** advising that he is alive and well in Oak Harbor, Washington. Sorry **Bill**, guess we got bum scoop! I bet **Sammy Bibb** is glad to hear we located his old boss from MCCRTG-20. Glad to hear **Shelly DuBois**, after many years has made contact with his old friend **Mike Guillory**. **Mike** is enjoying his retirement in his new home in Pensacola FL. **Dan Sullivan's** daughter **Cpl. Charlotte Hobbs USMC** has recently left active duty and is now attending College at NOVA. **Dan** is working as a Research Scientist with Pacific Northwest Laboratories at Ft. Belvoir, VA. Did **Tom Johnson** ever hear from **George Hayn** about the suspected e-mail virus he received from Slovakia. Our Thanks to **Tim Murphy** for forwarding the recent BG selection list. I hope **Walt Lehner's** job search has been successful. **Wes Steele** has asked to be added to our roster. **Wes** retired from 2ndMAW in 95! **Will Wilson** 2nd MAW CACI Programs Manager, gave me the following update on some folks at 2ndMAW ALD. **LtCol. Jeff Bolduc** retired in April, **Col. Chuck Dunn** has gone to a command billet in Norfolk, and the new ALD Branch Head is **Col. Dre Harrell** who came from HQMC ASL. "**Chub Madden** will be hunting Antelope in Colorado in October! Good Luck Colonel! **Jim Burton and wife Laura** have moved to a new home in Wesley Chapel FL. **Jim** says its 3 miles from their previous home! **Carl Hubbell** has already made his reservations at the Waterfront Inn for the Reunion! Thanks **Carl!** **Col. James Carroll III** is now the CO at MCLB Albany, GA. Happy to hear another Aviation Logistics Officer is helping the Ground Guys. Look him up on LinkedIn, he has a very impressive background! Heard from another Great Marine from the past **Gordon Hansen** who is still hard at work in Norfolk, VA. I bet all those folks in Albany, GA are having a great time at the YMCA with **Dan Gillan** in charge. Sorry to hear **Nick Rebello** is having some serious health problems. But he is hanging in there, and looking forward to getting a puppy to cheer him up! Got a very nice e-mail from **Sgt. Grit**. They are going to send us a Free Goodie Package to hand out at the Reunion. **Bob Timmons** sent a beautiful e-mail video of him singing the National Anthem at the opening ceremony of a Hagerstown Suns baseball game. He is absolutely GREAT! Hope we can get him to sing for us at the Reunion. **Charlie Hayes** sadly sent me the following: "My father (**Capt. Charlie Hayes Sr.**) passed away today peacefully with his family by his side, he was 92. He enlisted in the Marine Corps in 1939 and retired as a Captain in 1962. He was an Aircraft Maintenance Officer and served both in WWII and the Korean War. He supported both Fixed and Rotary Wing aircraft. He was the first squadron AMO operating at MCAS Futenma. He was the AMO of a helicopter squadron that supported nuclear bomb testing in Nevada during the 1950s. He was the Director of Maintenance when he retired from Bell Helicopter in 1988." The name **CWO-4 Henry Wildfang** may be familiar to some of you. **Henry** served 37 years in Marine Aviation and compiled more than 20,000 flight hours. He was a legendary aviator and sadly passed away at age 99, on 25 June 2015. I mention **Henry**, because at one time he was one of us. He served as the Material Officer in VMGR-152 in 1983-84. He told me that flying an Airplane was a lot more fun. My Sincere Thanks to **John Polley, Joe Featherston, Bert Burchette, and Francis**

McCarthy for the numerous e-mails they send that keep me totally informed, oftentimes smiling and laughing out loud. Please keep em coming! Speaking of **Joe Featherston**, he asked me to mention the **Marine Corps Mustang Association Reunion** that is taking place in Jacksonville, FL. 15-18 September 2015. There are a lot of folks that have sent interesting e-mails, about many different things, and I try to include **Log Notes** about as many of them as I can. But it's just impossible to do so. However, I would like to provide my Thanks for keeping in touch and recognize those I've heard from: **Brian Chadwick, Byron Stebbins, Don Fincham, Don Herpy, Jarvis Conic, Joe Driver, John Buckley, Pat Curd, Pat Garrett, Rich Flatau, Timothy "Chocks" Garrison, Tom Lenhardt, Linda Forman, Bill White, Ken White, John Miske, Rich Abraham, Paul Pratt, Sam brown, Laura Sampsel, Ray Finklea, Tom Mix and Bridget Bimis.**

Since the transfer of **Floyd, Stan and Mike** to heavenly duties with the Lord's Regiment, the ALM was a bit short on helpers and advisors. However, thanks to **Rick Owen, Pete Lynch, Paul Cerkez, Kevin McCutcheon, Otis DeLoach, Jim Payne, Jack Middleton and Ed Bacon** for stepping up to the plate and providing help and advice, we are on still on track!

I hope I haven't left anyone out? However, there may be a few folks that I've mentioned twice, Sorry! The two fingers I use to do this are rapidly wearing out. So it's time to Quit! Please read the EDITORS COMMENTS for more info on the future of this Newsletter and the Aviation Logistics marines Organization! Semper Fi!!!!

EDITORS COMMENTS

This Newsletter is only being distributed via e-mail. Because of limited administrative funds, the cost of Printing and mailing the Newsletter has become prohibitive.

We have established a WEBSITE (avlogmarines.org) and we are publishing items of interest, information and announcements on it continuously. So PLEASE check it regularly.

Kevin McCutcheon is working with the Marine Corps Aviation Association to establish an affiliated Aviation Logistics Squadron. **Kevin** has done all the leg work and paper work necessary to make this affiliation happen. But before any further action is taken, it has been decided to provide a complete and comprehensive briefing at our Business meeting during the Reunion. After the briefing a question and answer session will be conducted, and subsequently a vote to determine if we should initiate the affiliation. **The following was provided for your information by Kevin McCutcheon:**

During the Business Meeting at last year's Reunion held in Myrtle Beach, SC, a discussion was initiated that addressed a number a key issues impacting ALM and how it should operate going forward. Highlights of that discussion, are herein provided:

Efforts to become a recognized MCAA Squadron

ALM Organization and Membership Update Marines,

* Formalizing ALM as a more recognizable social-professional organization

- * Broadening participation and membership in ALM and associated planned activities
- * Broaden affiliations with Marine aviation active-duty and ALM Community of Interest (COI) constituents
- * Consideration to pursue COI sponsors to support various ALM functions and objectives

A recommendation was made to have our ALM group be established as a Marine Corps Aviation Association (MCAA) Squadron. Rationale for such a recommendation was provided that addressed how each of the highlights above could be made most achievable with such an affiliation. Action was taken by **Kevin McCutcheon (myself) and Paul Cerkez** to investigate this recommendation further.

MCAA leadership (**LtGen, (ret) Keith Stalder (Cmdr), Col. (ret) Scott Leitch (DCmdr)**) were contacted and an ALM background was communicated. MCAA embraced the recommendation enthusiastically, and basic requirements were set forth for establishing a new squadron. Documents were crafted under the counsel of a proposed slate of ALM squadron officers, me being one of them. Highlights below.

- * ALM By-Laws have been fully-developed and have been reviewed by MCAA leadership and staff
- * Squadron name, logo and final documents are under final consideration by MCAA
- * It is anticipated that final approval would come prior to our annual event at the Villages

That said, regardless of whether we have that approval or not, a general assembly (at our ALM reunion) briefing, plenary discussion and vote will be required before we fully-formalized as a MCAA squadron. Full disclosure will happen at our reunion, as there are a number of compliance requirements under such a charter.

More to follow for sure.

Semper Fidelis!
Kevin

All of the above initiatives are being taken to bring The Aviation Logistics Marines Organization into the modern day world and enable us to communicate more effectively. It is extremely important that the Legacy of Aviation Logistics be kept alive! We are encouraging all who are Aviation Logisticians (Past or Present) to assist in this effort! Semper Fidelis!
